## **WELCOME ATHLETES AND SPECTATORS!**

*On behalf of the City Council and residents of Paramount, I am honored to welcome you to the City of Paramount for the prestigious 1990 National Short Track Speed Skating Championship. We are especially proud that Paramount Iceland has brought this exciting event to this historic rink, which is one of the largest rinks of its kind west of the Mississippi River and home of the world famous Zamboni ice cleaning machine.*

*The Southern California Speed Skating Association is hosting this event which is sponsored by the Amateur Skating Union of the United States, which serves as the developmental school and training ground for future Olympians. I extend my appreciation and thanks to these organizations for selecting Paramount as the location for this national competition and for their devotion and training of our young American athletes.*

*Congratulations should go to each and everyone of these top notch athletes who have come from all over the country to compete in this event. The hard work and dedication of these skilled athletes will be put to the full test at this highly competitive event. These young Americans are shining examples of what good old American hard work, discipline, and dedication can produce.*

*I would like to thank Paramount Iceland, the residents of Paramount, and those of you who have travelled long distances to attend the 1990 National Short Track Speed Skating Championship. I wish the skaters strength and good luck, and hope each will achieve their personal best.*

## PRESENTATION OF MEDALLIONS

# **SOUTHERN CALIFORNIA SPEED SKATING ASSOCIATION**

## **NOW AVAILABLE**

An archival quality fine art lithograph, **"Motion on Ice"** by **Sara Broderick** is a distinctive interpretation of the sport of Short Track Speed Skating, the newest Winter Olympic event. This beautiful lithograph is one of the best speed skating artworks in the world and is being issued specifically to help fund the 1990 National Short Track Speed Skating Championships in Paramount, California and our **community skating programs offering young people a healthy alternative to drug and gang problems in today's society.** This project is both local and national in scope. Sara Broderick's creative use of color and sensation of speed and dimension make "Motion on Ice" an impressive work worthy of any collection or gallery.

This limited number of prints has been produced carefully observing the exceptional quality standards for fine art reproduction. Each print is executed on heavy weight uncoated and embossed Fieldstone cover, a certified archival quality paper that meets or exceeds the National ANSI Specifications Number Z 39, 48-84 for permanence. The image area is 22 x 30 inches with an overall sheet size of 26 x 33 inches. **Each is signed and numbered by the artist and bears a blind embossed Official Limited Edition seal and is accompanied a certificate of authenticity.**

**Sara Broderick** has more than two hundred works to her credit. Her paintings are shown at the San Bernardino County Museum of Art, the Riverside County Art Museum, the Palm Desert Museum of Art and various of juried exhibits in California. Sara holds a bachelors degree in fine art from California State University at Hayward and teaches at Mt. San Jacinto Community College. **Her works are favorites in numerous private collections.**

**"Motion on Ice"** is available for four hundred dollars unframed and five hundred twenty five dollars framed. If framed, your lithograph will be double matted in a metal frame using acid free matting. The metal frame and special matting have no contaminants to give you "museum quality" protection for your artwork. Guidelines for proper care will be included when it is delivered to your door in either a gorilla proof shipping tube or frame safepack.

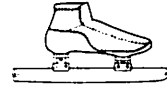

**VISA, MASTERCARGE and AMERICAN EXPRESS accepted.**

**TO ORDER, call (800) 634-1496** or make your check payable to and send to PDS/SCSSA, P.O.BOX 310, San Fernando, CA 91341. **The Southern California Speed Skating Association, is a federally recognized tax deductible charitable sports organization affiliated with the U.S. Olympic Committee.** Please allow 4 to 6 weeks for delivery.

The reproduction enclosed may not accurately represent the true colors in the actual lithograph
